Conference With Water Board Ends

Question of an Emergency Supply Thoroughly Considered—Special Committee Finds Board has Done

Everything Possible and will Formulate Their Report Today—Another City Meeting. port Today-Another City Meeting.

a half there was a conference of the special committee named by the last city meeting and the members of the water board, all members being present excepting Messrs. Cook and Ryan. It was an informal discussion of the present situation and the available supplies which can be secured at a short notice. The committee was anxious to know what had been done, and short notice. The committee was anxious to know what had been done, and what the board contemplated doing to help out the present low water and pressure, and as far as possible they were told. From the discussion it was were told. From the discussion it was learned, said Dr. Harriman, that the water board had done all they could do, and that they have the matter so laid out that it will be possible, if the citizens vote them the money, to go ahead and get a temporary supply. This can, of course, be secured from the Trading Cove brook or the Peck Hollow brook, the distance to each where pipe would have to be laid being in the proximity of a mile and a quarin the proximity of a mile and a quar-ter. This water would be pumped from the brooks and the distance to the Peck Hollow brook, at Yantic, above the mill, would be possibly a trific longer than to Trading Cove brook, but there would be an advantage in going there, as the pumped water would go into Mendow brook probably and flow into Fairview thus furbir and flow into Fairview, thus fur-nishing the water by gravity to the city, whereas it would be harder to force the water into the mains from the Trading Cove pond, which pump would not only have to raise the water, but would also have to furnish the pressure for the entire city, and the effect of this upon the pipe line might

The water in either of these brooks is excellent, although if they should be used, every precaution to keep away contamination would be used. There was no action taken by the joint board, and there was no statement by the water board as to which proposi-tion for an emergency supply they would decide upon, but the committeo found that they are looking after the matter as far as it is in their pow-er to do so, and the citizens have it in

Both Ponds Drop. water mark and Mohegan lake was 14 live, than proper early moral instruc-inches down, with a good stream com-ing into the former from Meadow pline?

On Saturday Supt. J. J. Corkery had two watering carts at work carting water to the residents in Orchard and

Beech streets and vicinity and to those living on Jail Hill, while on Sunday one cart was doing this work. The water is placed in receptacles. This morning it is expected that the usual drain on the supply will be made, the rst of the week showing the larger

Special City Meeting.

As stated in the call as printed els where, there will be a special ci neeting Thursday evening in the town come up on recommendation of the water board and courf of common council for action by the citizens. The data has been secured and will be predata has been secured and will be pre-sented at this session, so that it is understood all questions in regard to that supply and its cost can be an-swered. It is possible that some fig-ures in regard to the other possible permanent supplies can be furnished, then, although the special committee named by the last city meeting will not be able to give its figures by that time.

their power to furnish the money for them to carry out their plans, at the special city meeting which has been called for Thursday night.

At the conclusion of the joint meeting a vote of thanks was passed by the committee to the water board for their assistance and co-operation, and it was said that the committee did not

STOCK COMPANY AT POLI'S THEATER.

High Class Artists Secured to Put on Famous Plays.

Beginning Monday, Dec. 12, the Poli Players, an organization of high class artists, will open at Poll's theater for a limited season of stock, presenting for the opening week a thorough and complete production of Charles Klein's

Mr. Poli's success in his many pros-Mr. Poli's success in his many prosperous theaters throughout the country is based on the fact that he has
always endeavored to give the public
just what it desired in the amusement
line and the above announcement is
in keeping with this policy. Mr. Poli
is giving the local public an opportunity to show whether they want this
class of amusements or not. The season of stock will be limited to six
weeks, but it will be extended if his
patrons wish it.

rtists of ability and experience, all whom are known to the management and they will present only current New York successes upon which there is a high royalty and that are now playing regularly the best theaters at high prices. Every production will be built in the local theater—scenery and ef-fects complete, and every detail will be matched with the original production so far as possible. Special efforts will be made and every attention given to the management of the physhouse looking to the general comfort and pleasure of the patrons. The scale of prices will remain as at present, thus insuring an unusual value for the amount expended by those attending.

To the end that the engagement of the Poll Players may be made successful and popular with the public, the management welcomes suggestions that will make the theater or its oferings more attractive with the patons, either in management or conduct of the house or in anything affecting the general proposition. Particularly do they request that suggestions be made as to the plays to be presented by the company and every effort will be made to comply with all requests and suggessions made. Further an-nouncement of the personnel of the company and details of the plan of operation will be made later in the

The plays will be put on for a week at popular prices, the same players renaining here during the period of six

FOUND MORE LOOT.

Articles Which Fisk and Coughlin Took Located by Chief Murphy.

On Saturday Chief Murphy recovered the balance of the stolen articles that were taken by Messrs. Fisk and Coughlin a week ago. Ahis includes the kit of seven razors, two penknives, a pair of brown gloves, a pair of automobile gloves, and two overcoats.
One of the coals appears to be practically new, having a satin face and slik lining, and all of the stolen artisilk lining, and all of the stolen aru-cles, excepting this new coat, have been claimed. The only thing Chief Murphy has not been able to run down is the \$20 that was stolen from the home of John Eldredge of Montville. These were a ten and two fie dollar bills. Friends of Chief Murphy around the city are pouring in congratulations on him for having done such splen-Coughlin, who have been sentenced to held for trial in the higher court.

Adolphus Loseno died on Friday at the home of his sister, Mrs. Edward Carter, in Palmertown, after a comparatively short illness, at the age of 52 years. Mr. Loseno has been a residents of the town for upward of 15 years? He was born in Canada. Much of the time he has been at work in that town and in Ledyard as a wood-chopper, but for some weeks has not been able to follow his occupation on account of failing health. The funeral was held Saturday morning from his late residence, requiem high mass being celebrated at St. John's Roman Catholic church by Rev. P. J. O'Reilly at 9 a. m. Interment was in St. Patrick's cemetery in Uncasville.

Mrs. Joseph B. Lathrop. Adolphus Loseno.

Mrs. Joseph B. Lathrop.

A telephone message from New York on Sunday brought the news of the death of Alsaretta Blanker, widow of Joseph B. Lathrop, in that city on Sunday morning. She was taken sick Sunday, November 27. Mrs. Lathrop had visited here often and her many acquainfances will learn with deep regret of her demise. get of her demise.

Mrs. Lathrop was the daughter of Mr. and Mrs. Fred Blanker, Mr. Blanker having for the past 52 years been sergeant at arms of the Ohio state house at Columbus, In December, 1879, she married Joseph B. Lathrop of that city, Mr. Lathrop being the son of the late Jabez and Mrs. Lathrop of this city. She is survived by two daughters. Julia Blankner and Helen Wood Lathrop, and besides her father leaves two brothers and two sisters.

Rally Day Programme.

There were about 175 in attendance at the Rally day programme as carried out by the Sunday school of the Universalist church at the Buckingham Memorial Sunday noon. It consisted of songs and recitations and the children deserve much credit for their efforts. The committee in charge inefforts. The committee in charge in-cluded Mrs. F. S. Young, Miss Hattie L. Jewett and Miss Jessie F. Hill.

An interesting game of association football was played Saturday after-noon on the Providence street grounds

EARLY MORAL AND RELIGIOUS TRAINING Subject of Sermon by Rev. Joseph F Cobb for Rally Sunday.

At the Buckingham Memorial, Sun-

to shame."

Speaking of the subject of early moral and religious education, he said: There is no subject more worthy the attention not only of parents but of all who feel interested in the welfare of mankind, in the progress of society, and in the honor and prosperity of their country. What can be of more importance than the inculcation of correct principles, and the establishment of right motives, aims and dispositions in the moral natures of dispositions in the moral natures of

What can be more essential to their Both Ponds Drop.

Fairview reservoir when measured on Sunday was 342 inches below high

It is considered necessary and wise that parents should give to their children at least the rudiments of a good be a test of them. A new pump will be used in these tests so that pumping below the 30 foot level can be done, and this it is believed will show better results.

Carting Water Onto Hills.

On Saturday Supt. J. J. Corkery had

should form correct habits and fortify himself against temptation, more so than that he be able to demonstrate a problem in Euclid. It is far better that his heart receive right moral impressions and virtuous inclinations than that his head should be filled with any amount of scientific or literary information. The person who is morally educated will be the more useful and respectable citizen than the one who has micrely intellectual knowledge and is deficient in virtuous prinedge and is deficient in virtuous prin-

Of course we all believe in both intellectual and moral training and edueation.

Moral principles, virtuous aims, and

Moral principles, virtuous aims, and lessons of piety and goodness become the guilding and controlling power to human conduct and life. They are the helm and compass by which to direct man on the voyage of human existence. A faithful parent will not neglect to place in the hands of his children those means and instrumentalities by which his character, reputation and moral welfare may be secured. A faithful parents will not neglect to impart to the minds of his children a knowledge of those duties which they owe to themselves, their Maker and their fellow beings, or to impress upon their young affections the image of purity and holiness.

Apologies and excuses are often pre-

Apologies and excuses are often pre-sented to justify this difference.

Parents sometimes think it better to leave their children to thomselves to act their own pleazure as respects attending church and Sunday school until they become men and women, then they will be better prepared to receive moral and religious instrucreceive moral and religious instruc-tion, their minds will be perfectly free from any preconceived opinions and deas and therefore ready with erfect candor and impartiality to de-ide between truth and error, right

This reasoning is not good logic.
The author of the text did not agree with this reasoning, for he said, "A child left to himself bringeth his mother to shame." Parents do not deem it advisable to Parents do not deem it advisable to leave the intellectual improvement of their children to themselves. If parents admit that it is necessary that the mind should be instructed and cultivated in early life why not with equal propriety admit that the education of the heart and conscience, a laying of the foundation of a good moral character and virtuals conduct. well as Fluropean art centers are anxlous to take it up. He was abroad
all summer making arrangements
with a foreign firm for their exclusive manufacture of his special ink,
varnish and pencils. The etchings are
already being made in many places,
the History of Rouen, France, now in

towns. he arrives at year

discretion is perfectly groundless, is utterly impossible. Thoughts and eas will spring up in the mind, imaction will receive such a tendency during early life, which no amount of faithfulness and attention in future years can wholly eradicate or change. Whoever heard of a person arriving at the age of maturity, but who had some kind of bias given to his mind and feelings and some kind of a chartion will receive such a tendence

some kind of bias given to his mind and feelings and some kind of a character siready formed?

Parental kindness and affection are of great worth and beauty, yet they should be guided and directed by an enlightened judgment, they should be combined with wisdom and discretion. Although there are many things a child might desire it does not fola child might desire, it does not follow that he should always be grati fied. A parent's love should induce him to regard the future as well as the present in the management and government of his children. He should oppose those wishes and wants which he regards injurious in their tendencies, even though it might cause present pain and dissalisfaction. No one denies the statement that parent denies the statement that parents have more reason to expect that their children will be virtuous and upright if they receive proper moral training in early life than if this part of their education has been neglected.

Those who have lived to a good age

know how strong and tenacious are early habits and impressions. They are more enduring than those receiv-ed at later periods of existence. The minds of the young are tender and susceptible and are therefore capable of eceiving deep and lasting impres-

We ought to see to it that images of purity, love and holiness have stamped upon the affections of childhood so that the evils and temptations

TAFTVILLE

Funeral of Joseph Belhumeur-Sur prise Party Given Richard Kyle-Local Items.

At \$30 oclock Saturday morning the functal of **Joseph** Belhumeur wa held from his late home on South , street. Services were held in Sacre Heart church at 9 o'clock, Rev. Ar-thur O'Keefe officiating. The chole was present and rendered soveral se-lections. The bearets were B. Trefit Louis Andrews, Gustave Belhumeur, Peter Maynard, A. Andrews and T ier. Burial was in the Sacred Heart comstery.

Tiners vs. Lightweights! The Tattville Tigers played, the Lightweight Rugby from to a tie on Saturday, on the Providence street grounds, with a score of 10-19. Both teams worked hard for the victory and furnished plenty of interest for the spectators. Next Saturday the Tigers are scheduled to play in Greeneville.

TRY THIS

IN HEAD OR CHEST

It is Curing Thousands Daily, and Saves Time and Money

Get a bewl three quarters full of boiling water, and a towel.

Pour into the water a teaspoonful of HYOMEI (pronounced High-o-me).

Put your head over the bowl and cover both head and bowl with towel.

Breathe the vapor that arises for two minutes, and presto! your head is as clear as a bell, and the tightness in the chest is gone.

Nothing like it to break up a heavy coid, cure sore throat or drive away a cough. It's a pleasant cure. You'll enjoy breathing Hyomei. You'll feel at once its soothing, healing and beneficial effects as it passes over the inflamed and irritated membrane. 50 cents a bottle, at druggists everywhere. Ask The Lee & Osgood Co. for extra bottle Hyomei Inhalent.

between teams managed by R. Walker and J. Benoit. The final score was a tie, 2-2. The goals for Walker's team were made by Manville, while Fountaine and Hodgkinson scored for the other team. The teams will play off the tie next Saturday.

Pleasant Surprise Party. A pleasant Surprise Party.

A pleasant surprise party was held Saturday night at the home of Richard Kyle on South A street and about 24 young friends were present. Samuel Hague gave several pleasing selections on the violin and Miss Nellie Hague presided at the plane. During the evening games were enjoyed and refreshments were served. Mr. Kyle was presented a fine fountain pen by his friends present. The party broke up at a late hour after spending an enjoyable evening.

Mr. and Mrs. Archibald Kyle spent Sunday in Willimentic at the home of Mr. and Mrs. George Whitford.

James Hargraves has returned to his home in New Bedford after spend-ing a few days with Mr. and Mrs. A. Willer of Front street.

Busy at Fort Wright.

J. T. Kelly of this city has recently opened a dancing class at Fort H. G. Wright, having obtained the privilege to do so from the commanding officer there. Monday and Thursday nights are the times when the classes will be held. The first session was marked by a large attendance.

Weil Driven Sixty Feet. The artesian well which is being driven for the Norwich Nickel and Brass company has reached a depth of sixty feet. Plenty of water is being found, but it is desired to reach rock and get a better quality of water. It will be driven until reck is found.
